

Dear Patsy Keller,

My name is Cpl. Thomas R. Manning.
I would like to thank you personally from the
bottom of my heart and so would like the
many other men of 3/17 India Company. The packages
you and the others put together for us means alot
and brings our spirits up high. If any one
would like to write us we will write back. it's
like the Song letters from home.

So here
it is

Thank You
Very Much
